

Willamette Valley Academy

A Private Middle School for Grade 5-8

www.WillametteValleyAcademy.org

Our Mission

- To support students who want engaged in significant pursuits beyond the traditional school classroom
- To support motivated and talented students to have the opportunity to be challenged to excel
- Our Students Success:
Academic Achievement,
Strong Characters, and High Quality Work

Our Strategies

- Ensuring Academic Excellence by strengthening curriculum
- Ensuring the centrality of conversation between inspiring, challenging, caring teachers with curious, hard-working, engaged students.
- Keeping 1:8 teachers to students' ratio
- Giving individualized attention to students.
- Training students in critical thinking.
- Encouraging teamwork and effective collaboration.
- Offering opportunities to explore particular talents and interests inside and outside the classroom.
